

Protection for boiler and mechanical contractors

YOUR SOLUTION FOR HARD-TO-PLACE RISKS

An appetite to get business bound

We are a contracted general agent with a quality surplus lines insurer. We have access to a market that offers safety-minded boiler and mechanical contractors a **broad package policy** providing many of their coverage needs in one policy, including:

- Property
- General liability
- Inland marine

Opportunities in the boiler and mechanical contractors industry include a broad spectrum of operations from air conditioning to heating systems to boilers.

Look no further for this hard-to-place risk, a package policy **combines many of your insurance needs in one place** - simplifying the process for your customers.

This class is available in all states.

Our markets

Coverage will be placed with a U.S.-based surplus lines insurer rated A++ by A.M. Best. We want to help you write more business, and we have the underwriting experience, quality products and exceptional service standards to make it happen.

Consider the breadth of coverages we are able to access:

- Comprehensive general liability and/or stand-alone product/completed operations liability
- Limits offered are generally \$1 million/\$2 million (occurrence limits up to \$2 million are considered for certain classes)
- Minimum premium of \$7,500 with limited exceptions
- Small BI/PD non-funded deductibles
- Property:
 - Building up to \$2 million TIV
 - Business personal property
Including: tools, office equipment, supplies, and parts
 - Business income up to \$500,000
- Inland marine (contractors equipment)

We offer you a competitive advantage

We can provide the right coverage for your customer, quick turnaround times and competitive minimum premiums. In addition, we offer quality products, proven market stability and broad eligibility – making it easier than ever to serve your customers.
