BIG COVERAGE FOR THOSE WHO CARE FOR LITTLE ONES

An appetite to get business bound

We are a contracted general agent with the underwriting experience and authority to bind your business with a quality surplus lines insurer. We have access to a market with a broad underwriting appetite, giving us the ability to provide the coverage your customers need.

Protection for licensed day care centers

The people who care for little ones take on a great deal of responsibility when these children are in their charge. Regardless of how conscientious they may be, accidents can happen. When they do, your customers need an insurer who cares for them as much as they care for the children in their charge.

Whether your customers operate an in-home day care facility, preschool, Montessori, latch-key program or nursery school, we can help you provide them with the ease of mind they deserve, so they can worry about bigger things...like how to get the gum out of the carpet or finger paint off of the wall.

We offer you a competitive advantage

We can provide the right coverage for your customer, responsive and experienced claim services, and competitive minimum premiums. In addition, we offer quality products, proven market stability and broad eligibility, making it easier than ever to serve your customers.

Consider the breadth of coverages we are able to access:

- Professional liability
- Property
- Personal and advertising injury liability
- Assault or battery options
- · Limited contractual liability
