

Protection for your hard-to-place retail risks

YOUR SOLUTION TO WRITING MORE BUSINESS

An appetite to get business bound

We are a contracted general agent with a quality surplus lines insurer. We have access to a market with a broad underwriting appetite, giving us the ability to provide the coverage your customers need.

Our market is actively interested in the **retail** industry, including classes such as:

- Security monitors and equipment
- Appliances
- Material handling racks
- Safety harnesses, clips, belts and protective gear from heat and cold
- And many more

The class examples above represent a very small snapshot of our market's overall appetite in these business segments. Because they continually evaluate their appetite, they continually add classes they will write.

We offer you a competitive advantage

We can provide the right coverage for your customer, responsive and experienced claim services and competitive minimum premiums. In addition, we offer quality products, proven market stability and broad eligibility – making it easier than ever to serve your customers.

Consider the breadth of coverages we are able to access:

- Commercial general liability and/or stand-alone product/completed operations liability
- Occurrence and claims-made forms are available
- Ability to include property coverage up to \$1 million TIV as part of a package
- Minimum premium of \$5,000 with limited exceptions
- Small BI/PD non-funded deductibles
- Limits offered are generally \$1 million/\$2 million (occurrence limits up to \$2 million are considered for certain classes)
