

# Protection for snow removal contractors

## PUBLIC STREETS, ROADS AND HIGHWAYS

### An appetite to get business bound

We are a contracted general agent with a quality surplus lines insurer. We have access to a market with a broad underwriting appetite, giving us the ability to provide the coverage your customers need.

That time of year is here – winter, snow, snowmen and snowplowing. We can provide monoline general liability coverage for snow-removal operations on public streets, roads and highways, even if there are other exposures covered elsewhere. **This coverage is not available for parking lots, driveways, sidewalks, etc.**

We can also bind inland marine coverage for contractors' equipment.

This class is available in all states.
